Tributary of the Cal-Sag Channel

Address or Nearest Intersection:

104th Ave. and Route 83, Lemont, IL

Directions: South on Rte. 45 to north (right) on Rte. 83. Cap Sauers Holdings is bordered by Willow Springs Rd. (104th Ave.) on the east and Rte. 83 on the north.

Owner: Forest Preserve District of Cook County

Habitat Description: Beautiful forested site that contains a long esker trail. Very large site with miles of trails. Great for spring wildflowers. Contains a creek that flows into Cal-Sag Channel. Getting to the creek takes some work but the scenery is well worth it. Very clear creek offers great views of cray fish hiding in their burrows. Best for older, more adventurous groups

Access to water: Access to the creek takes some walking, but it is easy to wade into the shallow creek once you arrive.

Amenities: No bathrooms. Open fields available for lunch.

Parking: Vehicles can park at the Teason's Woods parking lot. Walk across 104th Ave. along the yellow trail until you come to the creek.

Capacity: 60 students
